

MANIFESTO OF NIHILIST WOMEN

The Following text was taken from the Anarchist Library and is a Translation of an anonymous text cited as coming from 'Le Drapeau Noir' (The Black Flag) which was a french Illegalist and Anarchist Trajectory in the late 1800's. The text is dated 4, September 2 1883, Lyon, and translated from the French by Michael Shreve . This zine is part of 'Bootlegs' by Down & Out Distro, a project which aims to reproduce texts from books, journals, blogs, newspapers etc and turn them into condensed and easily accessible zines (without ever editing the texts themselves). Texts have been chosen which carry themes of insurrectional transfeminisms, queer nihilism, cruelty, amoralism, insurrectional praxis, and revenge. They are presented as a 'collection' which we offer in an effort towards building intimacies/familiarities with certain emergent trajectories in insurrectional theory - in particular with regard to queer and transfeminist developments in insurrectionalism.

Manifesto of Nihilist Women

Let men have their fun blabbering on and on about the Revolution—They're free to do it! The nihilist women are tired of all this procrastination and are determined to act. Thinking about annihilating the bourgeoisie, they are ready to sacrifice everything to hasten the realization of this undertaking. In the inextinguishable hatred that is devouring us, they will call up whatever strength is necessary to overcome all obstacles.

But since this grandiose project cannot be carried out in one day, they will take their time, preferring for now to use poison and once in a while, to achieve their goal more easily, with a few bad seeds.

The nihilist women will make up for their lack of scientific knowledge and laboratory practice by mixing in the food of their exploiters small doses of deadly substances that are available to the poor and easy to handle for the most ignorant and inexperienced women.

From hundreds of ingredients with incontestable results, we can cite: lead acetate, which you can get in a few days if you leave lead shot sitting around or leave a piece of lead in vinegar; pieces of rotten meat; hemlock, which is so often mistaken for parsley and which grows everywhere on the side of the road and on the backsides of ditches.

At least we will give back to our despicable oppressors some of the evil that they give us every day. We will not smile and support the tyranny knowing that our enemies' lives are at our mercy... They want to be the masters! Let them suffer the consequences.

In the three years that the league has been around, hundreds of bourgeois families have already paid the fatal price, gnawed away by a mysterious illness that medicine cannot explain or heal.

To work, then, all you women who are fed up with suffering and who are looking for a remedy to your misery. Imitate the nihilist women!
